Sir

I have the honor to acknowledge the receipt of the Proceedings of the Chief Commissioner of Mysore No 3202/308 dated 26th December 1877 requesting further information relating to the proposed increase of establishments under head "Collection" "Head office" and "Conservancy" and in reply beg to offer the following explanation.

Conservancy

The salary of two additional sweepers proposed to be engaged for tulsfully and prospect will at the ordinary rates usually paid to this grade of servants in the Conservancy Establishment be at Rupee 5/ each.

Increase of pay to Assessment and Collection.

The salaries at present drawn by

this Grade of Officials is reported by the Assessor & Collector to be small for the heavy work devolved on them in the Collection of Assessment and a small increase recommended by him to their salaries, has been sanctioned by the Municipal Commissioners, whose report No 2513 dated 28th Novr 77 and a list shewing their present and proposed salaries are enclosed for formal and obliging return when no longer required

Head office

The Municipal office Establishment stands on the same scale as it stood prior to the adoption of the Municipal Regulations of 1871 since which the duties of the office Establishment have considerably increased; Annexed is a list shewing the results of Correspondence Conducted by the Establishment Commencing from the year 1869-70 from which it will be observed that the work of the office has been steadily on the increase each year; Under these circumstances

Circumstances an additional Clerk is now found absolutely necessary.

In Conclusion I trust that the explanation above given will meet with the Chief Commissioners favorable Consideration, and sanction accorded to the increase of Establishment above recommended.

I have the honor to be
Sir
Your most Obdt. Servant.

Duftur Department

Sir

I have the honor to acknowledge the receipt of the Proceedings of the Chief Commissioner of Mysore and order thereon No: 3553/M1342 dated 5 February 1878, and adverting to para 2 thereof observing that the Ratio of Cost of Head office which in 1870–71 was about 4·93 per Cent on the Income had risen in 1876–77 to 8·83. I beg to submit 2 statements one shewing the Cost of Head office as it stood in 1870–71 and the other shewing the Cost of present establishment from which it will be observed that only one Clerk. a Copyist has been added to the establishment during that period while a small increase has been made to the pay of the Accountant and two of the other clerks, the number

of Peons having also been slightly increased. After the separation of the offices of the President Municipal Commission and the Town and Cantonment Magistrate and over the introduction of the Bengal Municipal Regulations of 1871, the duties of this office have considerably increased and the increased ratio for 1876-77 compared with 1870-71 as noted in the above includes the salary of the President and one half of the salary of the Assessor and Collector whose salary of Rs 200/- per mensem as Assessor and Collector of Municipal Taxes had always previously been debited under Head Collection, and I would beg to add that by this arrangement the officiating Manager of the Municipal Office draws no salary for the officiating appointment but only the salary of his substantive grade viz Assessor and Collector of Municipal Taxes, but as the practice here brought

to notice is liable to give an erroneous impression of the Cost of the Head office establishment I would beg to obtain permission to revise the Budget in this respect and to enter the whole of the Assessor and Collector's salary under head Collection.

In Conclusion I beg to submit that from experience I can conscientiously state that the Clerks of this office are underhanded considering the heavy duties devolving on them in the Correspondence and Petition Departments. Under these Circumstances I trust the Chief Commissioner will be pleased to take into his favorable Consideration the Resolution of the Board for an extra Clerk on Rs 20/- entered in the Budget for 1878-79, and which is now before the Chief Commissioner for approval.
